

LIGHTS
ON

express

YOURSELF THROUGH LIGHT.

Fresco™, from Acuity Controls, allows you to realize
your vision through a single point of control.

fresco™

AN ELEGANT, VERSATILE, TOUCHSCREEN CONTROL SYSTEM.
Designed for today's dynamic and efficient sources, Fresco provides interface-free control of traditional, color changing and tunable white fixtures.

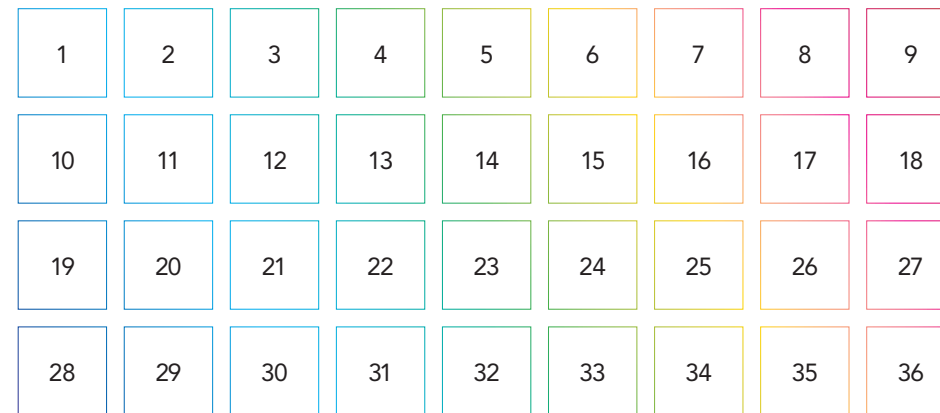

WOW

THE AUDIENCE.

Fresco transforms the space into a visual environment that captivates the crowd well beyond just dimming the house lights.

fresco zones

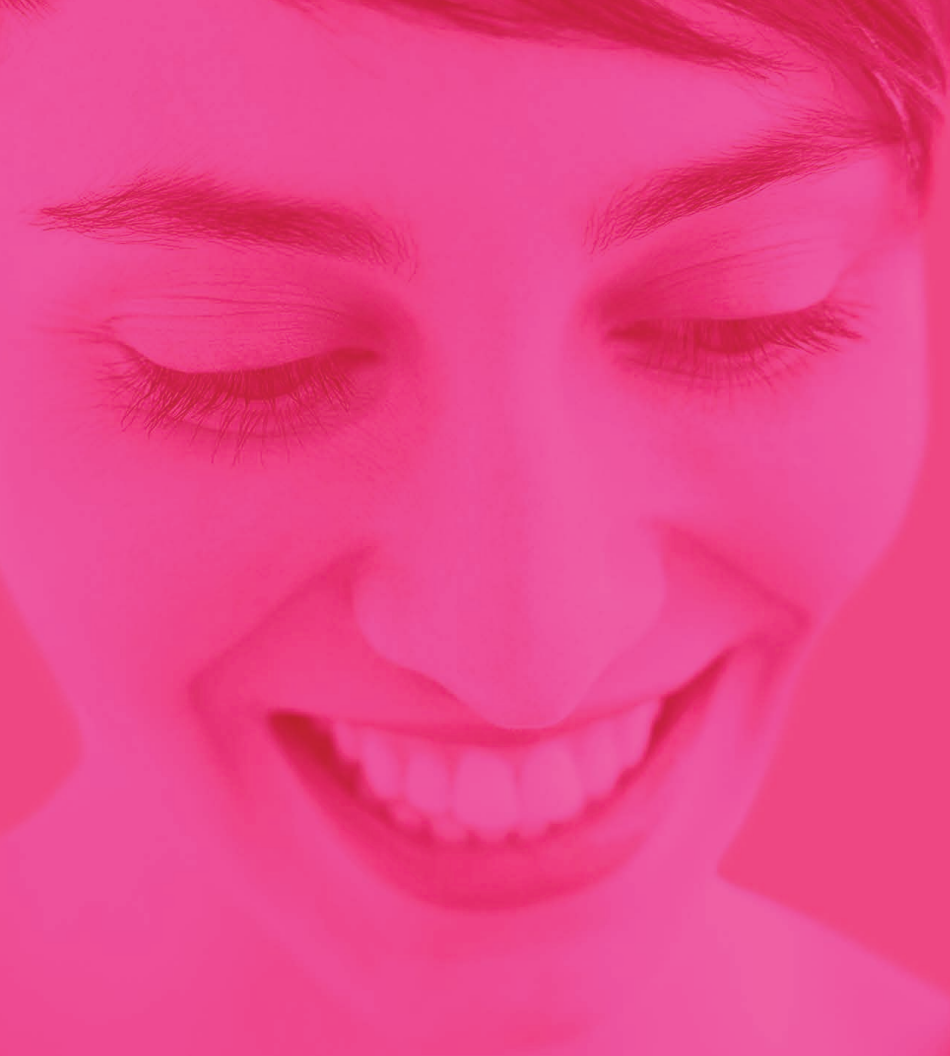

ONE FRESCO MANAGES UP TO 36 ZONES.
Connect 8 stations and control
up to 288 zones.

alluring

SPACES, BROUGHT TO LIFE BY FRESCO.
Fine-tune color and color temperature to heighten
drama and create an inviting atmosphere.

evoke

AN EMOTION.
Spaces become romantic. Provocative. Serene.
What mood do you want?

fresco color

RICH COLOR AND DYNAMIC CONTROL AT YOUR FINGERTIPS.
Direct DMX control and intuitive color palette
take a space from subtle to sublime.

pizzazz

MAKES AN IMPRESSION.
Especially at night. But what about lunchtime?
Fresco's scene controls define the mood and create
the backdrop for a memorable experience.

fresco scenes

DEFINE SPACES... JUST AS YOU IMAGINED THEM.
Fresco sets the stage for each unique event
with just a touch.
